

What are the characteristics of a community that does not tolerate harassment and bullying?

The unfortunate reality is that too many people in the U.S. face barriers to sexual and reproductive health care as well as safe, legal abortion – which are hindered by TRAP (Targeted Regulation of Abortion Providers) legislation, waiting periods, the availability of providers, and cost. Everyone – no matter where they live, or how much money they make, or who provides their health insurance – deserves access to health care without barriers or political roadblocks.
